

**SOCIETY FOR PEDIATRIC AND PERINATAL EPIDEMIOLOGIC RESEARCH
2010 MEMBERSHIP APPLICATION**

Please apply for your SPER membership for the year 2010 by completing this form and returning it with your payment information. Membership includes a subscription to Paediatric and Perinatal Epidemiology. Payment by November 1, 2009 will ensure initiation of your subscription to Paediatric and Perinatal Epidemiology by January 1, 2010. If you are applying under the Student/Fellow membership category, please send a copy of your student or fellow ID and date of your expected or awarded degree to the contact information below. Students/Fellows are allowed to apply for membership in the Student/Fellow category within a year of receiving their terminal degree or completion of their fellowship training.

<input type="checkbox"/>	Student/Fellow member (no journal) (Student/fellow ID or other documentation of student/fellow status required) \$20	

PLEASE CONSIDER PROVIDING A DONATION TO SPER....

Your donation will help offset operating expenses for our student memberships. In this way, SPER can continue to provide our student membership with lower membership and meeting registration fees. All those who donate will be recognized at our Annual Meeting as well as listed in our May Newsletter.

My **tax-deductible** donation is enclosed Donation Amount: \$
